UUUURe: Amended Mid-Year Report (1/1/01-6/30/01)

Dear Mr. Walker:

On behalf of Wal-Mart Stores Inc PAC for Responsible Government ("Wal-Mart"), I am hereby submitting this response to your letter dated December 19, 2001.

In your letter you requested that Wal-Mart review its records to determine whether any of the unitemized receipts received during the above-referenced reporting period included any receipts from a single source that aggregated greater than \$200 during the period. As a result of your letter, we reviewed the contributions received by Wal-Mart during the period covered by the above-referenced report and have determined that none of the unitemized receipts reported came from a single source that aggregated greater than \$200 in the calendar year.

□□□□□Sincerely,

UUUUUUPeter Sherman
